There was no guest speaker this month, we gave our partners and opportunity to update us on any issues or programs they may have.

Pat Arsenault talked about the Summer LEAP program. They are offering a 4th grade orientation program which will be a support program for the Recreation Department.

Chris Bishop talked about the fact the time between Memorial Day and Labor Day is called the 100 deadliest days. He will send some information to Celeste that can be shared on Facebook about teen driving, parent/teen agreements and safer car apps. He finished his video contest and the results can be viewed on his website NHTeenDriver.com.

Kim Coronis talked about vaping and the concern that kids are vaping more due to anxiety. She is hoping to get back into the schools as a guest speaker next year. [Tina McCoy](#), School Superintendent is retiring at the end of this month but she will recommend they allow speakers back into the schools next year.

Tina McCoy expressed concern about a flyer that went out in the Wellness bags from New Life Church. She would like to update our MOU to clarify what information is presented to parents/students regarding religion and for profit organizations. The interim is David Derussi who will hold the position through the next school year before a permanent superintendent is appointed.

Janice Arsenault, Raymond School Board member mentioned that Friday Night would be HS Graduation. This will take place, weather permitting, on the lawn outside the HS. She also stated that the board is discussing opening plans for Fall at the next meeting.

Our Prevention Summit is scheduled for October 22, 2021 which will be an in-person breakfast.
